**FINAL EXPENDITURE REPORT INSTRUCTIONS FOR CORRECTIONS EDUCATION FUNDS**

**IMPORTANT:**

1. A Final Expenditure Report (FER) shall be submitted for each project **NOT LATER THAN SIXTY (60) DAYS AFTER THE PROJECT ENDING DATE** for projects applied for and funded using a paper application. If uncertain of the project ending date, review the approved application, call the appropriate Ohio Board of Regents (OBR) program office.

2. Obligations must be liquidated by the report date without exception. Encumbrances shall not to be included on the FER. All reported amounts should be presented on a cash basis.

3. All parts of the FER form must be completed even if no funds were expended.

4. Under authority of 34 CFR 80.43, failure to submit an FER or correct FER discrepancies in a timely manner may result in a temporary suspension of cash payments for the project, a suspension of program operations, or termination and repayment of any or all of the grant award until said project is closed.

5. OBR will not be able to make payments for grants that have been de-obligated (closed) by the federal funding agency. FERS not submitted by the due date will jeopardize unpaid project funds. Call the awarding OBR program office for de-obligation dates.

6. The FER for a previous project must have been submitted and approved before an FER for a current project may be approved.

7. All revisions and questions regarding an approved budget must be directed to the appropriate OBR program office. **THE OBR FISCAL OPERATIONS UNIT DOES NOT APPROVE BUDGETS.**

8. An FER for a project must be submitted and approved before approval can be given to use unexpended funds of the allocation as carryover, if applicable. Carryover budget forms may be obtained from the ABLE website.

9. **10% RULE** – Entities may expend up to 10% more than approved in the budget for an **OBJECT CODE TOTAL** without submitting a budget revision (e.g., the total amount approved for salaries, object code 100, is $1,000.00 – entities may spend up to $1,100.00). This authority does not permit unauthorized expenditures. (34 CFR 80.30)
